

| <b>Acronym</b> | <b>Description</b>                                          |
|----------------|-------------------------------------------------------------|
| AEP            | Annual Exceedance Probability                               |
| AOD            | Above Ordnance Datum                                        |
| AQ             | Air Quality                                                 |
| AQA            | Air Quality Assessment                                      |
| AQMA           | Air Quality Management Area                                 |
| AQO            | Air Quality Objective                                       |
| ASHP           | Air-Source Heat Pumps                                       |
| ATNM           | Active Travel Network Maps                                  |
| BCA            | Barry Chinn Associates                                      |
| BMMP           | Biodiversity Management and Monitoring Plan                 |
| BRES           | Business Register Employment Survey                         |
| BRP            | Bat Roost Potential                                         |
| CC             | Cardiff Council                                             |
| CE             | Central Estimate                                            |
| CEMP           | Construction Environmental Management Plan                  |
| CIEEM          | Chartered Institute of Ecology and Environmental Management |
| CIL            | Community Infrastructure Levy                               |
| CMS            | Construction Methods Statement                              |
| CTMP           | Construction Traffic Management Plan                        |
| DAM            | Development Advice Map                                      |
| DAS            | Design and Access Statement                                 |
| DCWW           | Dwr Cymru Welsh Water                                       |
| DfT            | Department for Transport                                    |
| DMP            | Dust Management Plan                                        |
| E              | Ecology                                                     |
| EC             | European Commission                                         |
| EclA           | Ecological Impact Assessment                                |
| EIA            | Environmental Impact Assessment                             |
| EMF            | Electromagnetic Fields                                      |
| ELC            | European Landscape Convention                               |
| EPSL           | European Protected Species Licence                          |
| ES             | Environmental Statement                                     |
| EV             | Electric Vehicle                                            |
| FAP            | Flood Action Plan                                           |
| FCA            | Flood Consequences Assessment                               |

|       |                                                       |
|-------|-------------------------------------------------------|
| FMfP  | Flood Map for Planning                                |
| FRAP  | Flood Risk Activity Permit                            |
| FRMP  | Flood Risk Management Plan                            |
| FTE   | Full Time Equivalent                                  |
| GCN   | Great Crested Newt                                    |
| GDP   | Gross Domestic Product                                |
| GF    | Ground Floor                                          |
| GLVIA | Guidelines for Landscape and Visual Impact Assessment |
| GVA   | Gross Value Added                                     |
| HGV   | Heavy Good Vehicles                                   |
| HRA   | Habitat Regulations Assessment                        |
| IAQM  | Institute of Air Quality Management                   |
| IEMA  | Institute of Environmental Management and Assessment  |
| LED   | Light Emitting Diode                                  |
| LDP   | Local Development Plan                                |
| LGV   | Light Goods Vehicles                                  |
| LLFA  | Lead Local Flood Authority                            |
| LNR   | Local Nature Reserve                                  |
| LPA   | Local Planning Authority                              |
| LSOA  | Lower Super Output Area                               |
| LV    | Landscape and Visual Impact                           |
| LVIA  | Landscape and Visual Impact Assessment                |
| MRF   | Materials Recycling Facility                          |
| NLCA  | National Landscape Character Area                     |
| NPPF  | National Planning Policy Framework                    |
| NNR   | National Nature Reserve                               |
| NRW   | Natural Resources Wales                               |
| NTS   | Non-Technical Summary                                 |
| OHP   | Overhead Power                                        |
| ONS   | Office of National Statistics                         |
| PAC   | Pre-Application Consultation                          |
| PEA   | Preliminary Ecological Appraisal                      |
| PIC   | Personal Injury Collision                             |
| PFS   | Petrol Fuelling Station                               |
| PH    | Public House                                          |
| PPW   | Planning Policy Wales                                 |

|      |                                            |
|------|--------------------------------------------|
